Forecast for Sunday 15 Nov 2020

Weather: It will be a largely cloudy start to the day with outbreaks of heavy rain pushing up from the south. Turning mostly dry from mid-morning, aside from the odd shower in the south, with some bright spells. Further showers pushing in from the west late evening. Gusty southerly winds will ease through the morning.

Chance of cloud free mountain/hill tops above 800m: Low at first, becoming moderate or high from mid-morning until late evening. Low to end the day.

Visibility: Generally good at lower levels. Poor near summits at first and at the end of the day.
